

## Rachel Lin

Associate Architect/Director Asia

With Mecanoo since 2014

**Professional qualifications** Master of Science in Architecture, Urbanism and Building Sciences, Delft University of Technology; Registered with the Architectenregister (NL)

*"Architecture listens, learns, and engages — not to export, but to converse across cultures and ways of life."*

Rachel graduated from Delft University of Technology in 2014, specialising in the urban and architectural conditions of deltas, with a particular emphasis on the Dutch perspective applied on a global scale. Since joining Mecanoo upon graduation, she has made significant contributions to projects worldwide, with a particular focus on Mecanoo's work in Taiwan, China, and Korea.

As Mecanoo's Director Asia, based in Delft, Rachel plays a key role in facilitating communication and design collaboration between Mecanoo's headquarters and international clients. Her expertise spans a broad range of scales, from intimate interior designs to large-scale urban masterplans, showcasing her dynamic and versatile approach as an architect.

Rachel has extensive experience in both public and private sector projects, with a growing focus on multidisciplinary design as Mecanoo's portfolio in Asia continues to expand. Her leadership reflects a commitment to innovative design solutions that balance local context with global architectural principles.
